# WELCOME MESSAGE FROM PRESIDENT

12th to 14th June 2026  
KIMS Hospitals, Thane

## DEAR COLLEAGUES AND DISTINGUISHED DELEGATES

It gives me immense pleasure, as President of IAGES, to welcome you to FALS Robotics 2026 – Fellowship of Advanced Laparoscopic Surgery (Robotic), scheduled from 12th to 14th June 2026 at KIMS Hospitals, Thane.

Robotic surgery represents one of the most significant advancements in modern surgical practice, enabling surgeons to achieve greater precision, superior visualization, and improved patient outcomes. This fellowship program has been thoughtfully designed to provide participants with a comprehensive learning experience through expert lectures, interactive discussions, and valuable practical insights from distinguished faculty and leaders in the field.

The program aims to strengthen the understanding and application of robotic techniques in minimally invasive surgery, while also providing an excellent platform for knowledge exchange and professional collaboration. We hope that this fellowship will not only enhance technical expertise but also inspire innovation and encourage the adoption of advanced surgical technologies in clinical practice.

As technology continues to redefine the future of healthcare, it becomes our collective responsibility to embrace these innovations while maintaining the highest standards of patient safety and care. Through initiatives like FALS, IAGES continues its commitment to advancing surgical education, promoting skill development, and fostering excellence in minimally invasive and robotic surgery.

I extend my sincere appreciation to the organizing committee, faculty members, and partners whose dedication has made this program possible. I also thank all the delegates for their enthusiasm and participation.

I wish you a highly productive fellowship program and a memorable learning experience.

Dr. K. Govindaraj  
President

# MESSAGE FROM SECRETARY

12th to 14th June 2026  
KIMS Hospitals, Thane

## DEAR ESTEEMED FACULTY AND DELEGATES

It is a privilege to welcome you, as Honorary Secretary of IAGES, to FALS Robotics 2026 – Fellowship of Advanced Laparoscopic Surgery (Robotic), scheduled from 12th to 14th June 2026 at KIMS Hospitals, Thane.

The rapid progress in robotic platforms has opened new possibilities in surgical precision, ergonomics, and patient safety, making continuous education in this field essential for today's surgeons. This fellowship program has been thoughtfully structured to provide a balanced academic experience through expert-led sessions, practical discussions, and opportunities for meaningful knowledge exchange.

I sincerely appreciate the efforts of the organizing committee at KIMS Hospitals, Thane, along with the esteemed faculty members whose dedication and commitment have made this program possible. I also thank all the participants for being a part of this important academic initiative.

Wishing you an engaging, informative, and rewarding fellowship program.

With warm regards,

**Dr. Ashwin Thangavelu**  
Honorary Secretary

# MESSAGE FROM THE ORGANISING TEAM

12th to 14th June 2026  
KIMS Hospitals, Thane

## DEAR ESTEEMED FACULTY & DELEGATES

It gives us immense pleasure to invite you to participate in FALS Robotics 2026 – Fellowship of Advanced Laparoscopic Surgery (Robotic), scheduled from 12th to 14th June 2026 at KIMS Hospitals, Thane.

Surgery has evolved remarkably over the years from open procedures to laparoscopy, and now into the transformative era of robotic surgery. With rising patient expectations and increasing surgical complexity, structured training in robotic techniques has become the need of the hour.

The FALS Robotics program offers a comprehensive academic platform featuring expert lectures, live demonstrations, and hands-on training sessions conducted by experienced faculty in the field. Through this initiative, IAGES continues its commitment to advancing surgical education and ensuring that surgeons are equipped with the skills required to deliver the highest standards of patient care using modern technology.

We look forward to welcoming you to Kims Hospitals Thane for an enriching academic experience, meaningful discussions, and professional camaraderie.

Warm regards,

# GUIDELINES

12th 14th June 2026  
KIMS Hospitals, Thane

A candidate can apply in any ONE of the categories  
Exam Fellowship / Non-Exam Fellowship

## ELIGIBILITY CRITERIA

IAGES Membership is a must. Those who are not members may apply for membership online. See the website [www.iages.in](http://www.iages.in) for more details.

Post graduate degree in surgery is mandatory.

A resident or junior consultant should obtain a certificate of experience from the HOD of the hospital/Institution as a supportive document. Attach soft copies of the MBBS, MS, or DNB certificate and MCI/ State registration certificate during membership registration.

Candidates also have to register for the Conference to be held in Thane from June 12th to 14th, 2026 in order to attend Live Surgeries, Lectures and Convocation Ceremony.

### 1. Non - Examination Category

Surgeons who have been doing Laparoscopy / Robotic surgery for 10 or more years are eligible for Non Examination Category. Candidates should have performed atleast 100 laparoscopic / robotic surgeries and need to submit logbook to substantiate claim. All the candidates will be interviewed by the IAGES board for final assessment before the award of fellowship.

### 2. Examination Category

All surgeons with a minimum of 3 years experience Post MS/DNB in Laparoscopy / Robotic Surgery. The applicant should have Either assisted or performed 25 surgeries robotically. All the candidates would appear for MCQ assessment and Viva by the IAGES FALS board for final assessment before awarding the fellowship.

### Log book

Age/Sex/Surgery/Role/Post-op course/Complication/Remarks Role - Assisted/under supervision/Independent Post-op course - Uneventful / Eventful

Complications - Infection, Bleeding, Leak, Stricture, Obstruction, Others (type if others)

Scan & Register

# GUIDELINES

## ELIGIBILITY CRITERIA

### Suggested Reading:

Any textbooks/ journals pertaining to Advanced Laparoscopic & Robotic Surgery. Onsite Module: Will include Lectures/ Panel discussions/ Live operative workshop & exams / viva on 12th to 14th , June 2026.

### MCQ Exam:

Time: 60 minutes (Maximum number of marks: 100) The exam will have 100 MCQ questions (single best response type) and will be conducted via an online link. The candidate has to be present at the venue in person.

### Practical Examination:

Interview/assessment for approximately 10 minutes on each candidate. The candidates will be divided in to batches and interviewed by senior faculty members of IAGES depending upon the number of candidates. Maximum of 50 marks are allotted for the interview.

### Result:

Outcome of written and practical assessment will be prepared by the organizing team and to be signed and to be sent to the President with a copy to Hon Secretary Office and FALS board and results will be published in the IAGES website. Candidates will have to register and attend the upcoming IAGES Annual conference scheduled in February 2027 at New Delhi, India in order to receive the fellowship certificate.

Assessment of FALS Robotics fellowship candidates will be conducted by IAGES Central Office.

# FALS ROBOTIC COURSE MODULE

12th to 14th JUNE 2026

## WHO SHOULD APPLY?

- General surgeons are desirous of upgrading their skills in Robotic Surgery.
- General surgeons wanting to become familiar with advanced MAS surgery.
- IAGES membership is a prerequisite for the FALS course. Non-members can apply simultaneously online on [www.iages.in](http://www.iages.in).
- CME can be attended by surgical PGs, general & specialist surgeons irrespective of IAGES membership status.

## CME COURSE HIGHLIGHTS

- 12<sup>th</sup> - 13<sup>th</sup> June 2026 Lectures, Panel Discussion, Examination **and live surgeries**
- 14<sup>th</sup> June 2026 Workshops & Examination for course candidate's.
- Interactive Fellowship Courses.
- MCQ & VIVA Assessment.
- Video Lectures, Master Videos & Panel Discussions.
- Surgical Workshop & Master Videos.
- A great learning experience with the best of faculty across the globe.

## AWARD OF FELLOWSHIP CERTIFICATE

The Certificate will be awarded at the next annual conference in Delhi Feb 2027 check IAGES website for details

For Registration to the National Conference Visit [www.iages.in](http://www.iages.in)

## Meet The Professor (2 Hours Workshop)

### Date And Time

- 14th June, Sunday
- 09:00 AM To 11:00 PM

### Learn From National Faculties - Leaders In Robotic Surgery

- Renowned Experts
- High - Volume Robotic Surgeons
- Mentors Shaping Nextgen Surgeons

#### Note :

- Unique concept of small group discussion on the surgery
- Learn practical tips and tricks from the best in the field
- Participants can select one masterclass of their choice from five expert-curated sessions
- Each group will be limited to 10 delegates
- Registration for the particular workshop will be on first come basis

### Choose The Right Option

- Robotic Cholecystectomy
- Robotic Right Hemicolectomy  
Robotic Anterior Resection
- Robotic Nephrectomy  
Robotic Hysterectomy
- Robotic Gastrectomy  
Robotic Fundoplication
- Robotic Incisional Hernia Repair  
Robotic Groin Hernia Repair

DAY **01** 12<sup>th</sup> June 2026

## Scientific Program

08:30 - 09:00

Registration & Breakfast

### SESSION 1: ROBOTICS BASICS

09:00 - 09:15

Understanding the Robot: CMR Versius (Cart/Console, Instruments, Docking, etc.)

Speaker : Dr. Prasad Bhukebag

09:15 - 09:30

Understanding the Robot: SSI Mantra (Cart/Console, Instruments, Docking, etc.)

Speaker : Dr. Amol Bhanushali

09:30 - 09:45

Understanding the Robot: Medtronic Hugo (Cart/Console, Instruments, Docking, etc.)

Moderator : Dr. Girish Bakshi  
Discussant : Dr. Mandar Gadgil  
Dr. Hemant Patil  
Dr. Nidhi Khandelwal

09:45 - 10:00

Understanding the Robot: Meril MIZZO (Cart/Console, Instruments, Docking, etc.)

Speaker : Dr. Samir Bagasrawala

10:00 - 10:15

Understanding the Robot: Medbot (Cart/Console, Instruments, Docking, etc.)

Speaker : Dr. Samir Ranjan Nayak

10:15 - 10:30

Understanding the Robot: da Vinci (Cart/Console, Instruments, Docking, etc.)

Speaker : Dr. Vivek bindal

10:30 - 10:45

TEA BREAK
