DR. TANVEER MAKSUD

PROGRAM DIRECTOR
Surat Oncology Centre
Medical Oncologist & Haematologist

Dr. Tanveer Maksud is a first Tata Hospital Mumbai trained senior Medical Oncologist at the Surat Oncology Centre with over 18 years of clinical experience. He is widely recognized for his expertise in treating solid tumors and hematological malignancies, including blood cancers like leukemia and lymphoma.

Core achievements:

Elite Training: He completed a specialized fellowship in Medical Oncology from the world-renowned Tata Memorial Hospital in Mumbai, where he spent over three years managing complex and high-volume cancer cases.

Specialized Expertise: He is an expert in modern therapeutic modalities, including Immunotherapy, Targeted Therapy, and Chemotherapy.

Clinical Impact: Dr. Maksud has contributed significantly to the Surat oncology community, previously serving as a consultant at the Bharat Cancer Hospital & Research Centre.

Research & Recognition: He has published several research papers on advanced treatments, such as nanosomal paclitaxel lipid suspension for metastatic breast cancer, and is a certified member of the European Society for Medical Oncology (ESMO).

He is a pioneer in the region for implementing the Scalp Cooling System to help patients minimize hair loss during treatment. He also serves as a Principal Investigator for numerous international clinical trials, bringing cutting-edge global therapies directly to his patients in Surat.

27th AND 28th JUNE 2026

ORGANISED BY

DR. ANKIT PATEL

PROGRAM DIRECTOR

Surat Oncology Centre

Medical Oncologist & Haematologist

Dr. Ankit Patel is a highly specialized Medical and Haemato-Oncologist at the Surat Oncology Centre, bringing over 10 to 16 years of experience to the field of cancer care in Gujarat. He is particularly distinguished for his dual expertise in managing both solid tumors and complex blood-related malignancies

key professional achievements:

Super-Specialty Training: He earned his super-specialty DM in Medical Oncology and Haemato-Oncology from the prestigious Gujarat Cancer and Research Institute (GCRI), Ahmedabad, which is one of India's premier cancer treatment hubs.

Clinical Experience: Before his current role, he spent over three and a half years at Ahmedabad Civil Hospital, where he managed thousands of complex cancer cases, honing his expertise in evidence-based treatment plans.

BMT Specialist: Dr. Patel is uniquely trained in Bone Marrow Transplant (BMT), providing a vital curative option for patients in Surat suffering from advanced blood cancers and disorders like Aplastic Anemia.

Multimodal Expertise: He specializes in advanced therapeutic modalities including Immunotherapy, Targeted Therapy, and HIPEC/PIPAC treatments for various cancers.

Widespread Impact: He serves as a consultant at several major institutions, including Bharat Cancer Hospital and Sunshine Global Hospital.

ORGANISED BY

DR. JAY MEHTA
PROGRAM DIRECTOR
Surat Oncology Centre
Medical Oncologist & Haematologist

Dr. Jay Mehta is a distinguished Consultant Medical and Hemato-Oncologist at the Surat Oncology Centre, known for his academic excellence and commitment to precision cancer therapy in Gujarat. He holds a super-specialty DrNB in Medical Oncology from the National Board of Examinations, New Delhi, where he was awarded for Outstanding Research on nutritional status in gastrointestinal cancer patients.

Dr. Jay Mehta is trained with leading oncologist of india like Dr. Sultan Pradhan and Dr. Tapan Saikia at Price Ali Khan Hospital Mumbai. Dr. Jay is qualified and experienced medical oncologist, specializing in the diagnosis and treatment of complex cancer conditions. With strong academic training and clinical expertise, he provides comprehensive, evidence-based cancer care tailored to individual patient needs.

Major professional achievements:

Global Training: He earned an elite certification in the Advanced Management of Oncological Diseases from Harvard Medical School (2024–2025) and completed a prestigious lung cancer preceptorship at the Princess Margaret Cancer Centre in Canada.

Academic Recognition: Dr. Mehta received the Times of India Award (2024) for his exceptional contributions to breast cancer care.

Specialized Expertise: He specializes in treating complex solid tumors, including lung, GI, and gynecological malignancies, utilizing Immunotherapy and Targeted Therapy.

Clinical Leadership: Beyond Surat, he serves as a key consultant at Nirali Hospital (Navsari) and has presented research at various international oncology forums.

ABOUT HOSPITAL

SURAT ONCOLOGY CENTRE

The Surat Oncology Centre (SOC) is the first & largest provider of cancer care in South Gujarat, dedicated to providing advanced and affordable oncology services. Located in the Zenon Complex in Surat. The flagship facility is NABH accredited and features a state-of-the-art 20-bed day care centre equipped with HEPA-filtered air purification systems for patient safety.

The centre is a pioneer in integrating technology with compassionate care, being the first in the region to offer the Paxman Scalp Cooling System to prevent chemotherapy-induced hair loss.

Modern Therapies: Expert administration of Immunotherapy, Targeted Therapy, and home-based Infusion Pump Chemotherapy.

Specialized Diagnostics: In-house pathology, pharmacy, and AI-based treatment planning for personalized care.

Holistic Support: Dedicated services for genetic counselling, nutritional guidance, and physiotherapy.

Led by experts like **Dr. Tanveer Maksud Dr. Jay Mehta** and **Dr. Ankit Patel**, SOC has conducted over 300 clinical trials and is actively expanding with upcoming branches in Vesu and Lal Darwaja to bring world-class care closer to the community.

ABOUT SURAT

ISKCON Temple Surat

Gopi Talav

Surat Castle

Surat is one of the fastest-growing cities in Gujarat, known for its strong economy, rich culture, and modern lifestyle. Situated on the banks of the Tapi River, Surat is globally recognized as the “**Diamond City of India**,” as it handles a major portion of the world’s diamond cutting and polishing. It is also a leading textile hub, famous for sarees and dress materials.

The city offers a mix of historical charm and modern attractions. Popular places include **Surat Castle**, known for its black sand and scenic sunsets, **ISKON Temple**, a favorite for families, and Dutch Garden, which reflects colonial history. **Gopi Talav** is another well-known recreational spot in the city.

Surat is also famous for its delicious street food like **locho**, **khaman**, and **ghari**. Known for its cleanliness, safety, and business-friendly environment, the city has earned a reputation as one of India’s most livable urban centers. With continuous development, smart infrastructure, and a welcoming community, Surat beautifully blends tradition with progress, making it an ideal destination for living, working, and exploring.
